No. R. 1680—L. S. 2-28-167, dated 24th August 1929.

It is notified for general information that under section 1 (2) of the Record of Rights Regulation No. X of 1927, Government are pleased to direct that the provisions of the said Regulation shall be extended to all Government villages and settled Inam villages of Seringapatam, Gubbi, Sorab and Siddlaghatta Taluks with effect from 1st October 1929.

2. The Record is intended to check litigation in regard to land and to facilitate its disposal by the Courts, to reduce unnecessary expenditure by the raiyats in executing and registering documents and to protect them against fraud and fabrication of false claims. It will also be of assistance to Government as well as the raiyats in the distribution of assessment among the various hissedars, the grant of takavi and land improvement loans and the grant of suspension or remission of land revenue.

3. To facilitate the accurate preparation of the Record of Rights, the list of "Hisses" will first be prepared by the Shanbhogs to the best of their information in a prescribed form and every case will be duly investigated by a special Shekdar. There will then be a check of the list by the Amildar or other officer specially authorised by the Deputy Commissioner in this behalf. Occupants and persons interested in the land are required to furnish every information that may be within their knowledge to the investigating officers in order to ensure accuracy in the preparation of this Record which will form the basis of the future Record of Rights.

4. All persons interested in land are required to render every reasonable assistance to officers of the Survey Department who will measure and conduct enquiries in cases of disputed boundary lines between hisses in the field, after giving the prescribed notice.

5. The attention of the public is invited to the provisions of Section 7 of the Record of Rights Regulation requiring them on requisition by a Revenue Officer engaged in compiling or revising the Record of Rights to furnish or produce information and documents needed for correct compilation or revision thereof within one month from the date of such requisition. Failure to comply with this requisition and secure registration of their rights will render occupants and holders of interests in land liable to a fine not exceeding Rs. 5 (recoverable as an arrear of land revenue) besides depriving them of the several advantages enumerated above. The officer to whom any information is furnished, or before whom any document is produced in accordance with the requisition will give a written acknowledgment therefor in the form prescribed to the person furnishing or producing the same and shall endorse on any such document, before returning it to him, a note under his signature stating the fact of its production and the date thereof.
